Dear Friends,

We wish to thank you for your kind donation which you sent us through the Italian Embassy and which was given to us by _____.

We deeply appreciate this gesture and thoughtfulness on your part in sending this money for the poor in Kabul.

Here, we are providing relief services to very poor families mainly widows and their children - food, medical care, winter months - rent and fuel etc. We also have a small Home for the orphaned cerebral palsy children which are abandoned in hospitals.

Our gratitude is our prayers for you

Sincerely yours in Jesus & Mary

God Bless you

Sr. Martina M.C.
